MID CENTURY

Inspired by mid-century geometrics and line work, this collection includes floral and pod patterns in two fresh colorways.

REPRESENTED BY THE BUFFALO WORKS • 932.475.3013

The background features a repeating pattern of small, stylized floral motifs in a light brown color. Overlaid on this are several large, colorful illustrations: a blue flower with a yellow center and black outlines in the top right; a pink flower with white outlines on the right side; and stylized blue waves at the bottom. A red horizontal bar is positioned across the middle of the page.
